

CMTY7.2 - Relations with Educational Entities: Colleges and Universities

c - Community

COLLEGES AND UNIVERSITIES

The objective of this policy is to encourage collaboration with colleges and universities, enabling staff members and students to benefit from their resources and expertise, provided such collaboration aligns with the District’s needs.

LOCAL

- The Superintendent shall:
 - Seek out and utilize the services and resources of college and university faculty members or programs when they are compatible with the District's goals.
- Any research involving student time:
 - It must be of clear benefit to the district.
