c - Community

RELATIONS WITH GOVERNMENTAL ENTITIES

The objective of this policy is to foster mutually beneficial relationships between the District and local, county, state, and federal governmental agencies, ensuring their involvement in matters that impact the educational program and the overall quality of life within the community.

LOCAL

- The District shall:
 - Actively seek to establish and maintain collaborative relations with all governmental agencies at the local, county, state, and federal levels.
 - Encourage the participation of governmental entities in addressing issues that influence both education and the community's quality of life.
